

# Big Tent Revival, I'm Letting Go

I am a man  
Who hides his feeling  
but I don't think I can  
keep from revealing

all the things inside of me  
Are all out of control  
so Lord I'm letting go of

I'm letting go, Lord I'm letting go  
I'm letting go, Lord I'm letting go

There was a time  
things didn't matter  
Reason and rhyme  
were second nature

It was all a big ---FACADE--- (pronounced fah-sad)  
I have come to know  
so Lord, I'm letting go

I'm letting go, Lord I'm letting go  
I'm letting go, Lord I'm letting go

I am calling  
Are you hearing  
I am falling  
Come and catch me

From now on, I put my trust  
In you and you alone  
And Lord I'm letting go

I'm letting go, Lord I'm letting go  
I'm letting go, Lord I'm letting go (repeat)
