

# Big Tent Revival, Will You Be Mine

Brighter than the stars  
Is my ever love for you  
Brighter where you are  
The sweetest that I ever knew

Chorus  
Yes and right from the start  
Like an arrow straight through my heart  
I'll be yours all of the time  
Will you be my valentine?

Darlin' you and me  
It must have been God's design  
'Cause no man could conceive  
A love that is so divine

Chorus  
Will you be mine, will you be mine  
I'm beggin' on my knees, say that you will be my valentine  
Some say love's a grand endeavor, stugglin' to stay together  
I hope someday they'll find a love like our love

Chorus  
Will you be mine I'm beggin' on my knees, baby, darlin' please  
Will you be mine  
Brighter than the stars  
Is my ever love for you
