Oh yeah

(James)

So tell me who I am I supposed to be?  
What I gotta do to get you close to me?  
If I run away tonight will you follow me?  
C'mon, c'mon, c'mon (oh yeah)  
I see you standing there all alone (all alone)  
Knowing you've been wanting me to say hello  
Cause when the lights go flashing everybody tonight  
It's on it's on it's onnn

(BTR)

(Hey) Say anything you want  
I turn the music up  
'Cause baby we ain't going no-oh-oh-where  
I'll leave it all behind  
To be with you tonight  
And everybody screaming oh oh oh oh yeah  
Oh yeah oh yeahh  
Screaming oh yeah  
Oh yeah oh yeah  
Screaming oh yeah  
Oh yeah oh yeah  
Screaming oh yeah yeah

(BTR)

And now it's time I gotta make a move  
We could be together if you only knew (only knew)  
Cause life's so short, we got nothing to lose  
C'mon c'mon c'monn  
(Oh yeah)  
I can't seem to get you out of my mind (oh no)  
And I ain't gonna stop until I make you mine (make you mine)  
I just gotta make it to you by the end of the night  
Oh yeah oh yeah oh yeahh

Ohhhh

(BTR)

Say anything you want  
I turn the music up  
'Cause baby we ain't going no-oh-oh-where  
I'll leave it all behind  
To be with you tonight  
And everybody screaming oh oh oh oh yeah  
Oh yeah oh yeahh  
Screaming oh yeah  
Oh yeah oh yeah  
Screaming oh yeah  
Oh yeah oh yeah  
Screaming oh yeah yeah

(Logan)

And time just keeps on running out  
I gotta find my way to you

Say anything you want (say anything)  
I turn the music on  
'Cause baby we ain't going no-oh-oh-where
