

Big Time Rush, This is Our Someday

Oh oh, oh oh oh
Oh oh, oh oh oh
Hey yeah
Oh oh, oh oh oh
Yeah, yeah
Oh oh, oh oh oh

And everyday feels like the other
And everywhere looks just the same
When every dream seems like forever
Your a face without a name
Maybe now is our best chance
To finally get it right
Cause if the world is an apple
Then it's time to take a bite

Someday it'll come together
Someday we will work it out
I know we can turn it up all the way
Cause this is our someday
Someday is what we make it
Someday is right here and now
Why wait, why wait, why wait?
Cause this is our someday
Oh oh, oh oh oh Oh!
Oh oh, oh oh oh
Yeah, yeah
Oh oh, oh oh oh
Oh oh, oh oh oh

We all have times, times we wonder
Will the spotlight shine on me?
Don't let the waves go roll us under
Or miss the opportunity
Don't look down or look back
It's not that far to go
Cause if we never try then
We will never really know

Someday it'll come together
Someday we will work it out
I know we can turn it up all the way
Cause this is our someday
Someday is what we make it
Someday is right here and now
Why wait, why wait, why wait?
Cause this is our someday

Oh no I don't have all the answers
But there is one thing I know for sure, yeah
One is good, but four is better
It took some time to get here
It's better late than never

Someday it'll come together
Someday we will work it out
I know we can turn it up all the way
Cause this is our someday
Someday is what we make it
Someday is right here and now
Why wait, why wait, why wait?
Cause this is our someday (x2)
