

# Big Tymers, Stun'n (Remix)

(feat. Lil' Wayne, PapaRue)

[Baby]

Now since my gear be on shine  
These haters be packin' dey nine  
But look playa I'm down for mine  
Try'n to catch me at the red light gettin my shine  
But I use my nina to protect me at all times  
I just bought that new lexus, that 1998  
The bubble lights boy wit' them 19 inches  
See I'ma talk about my Humvee at the end of my rhyme  
I just bought that new Range Rover wit' them six new tires  
Now every broad I know I done sexed at least one time  
Now playboy, tell me how you love that

[Mannie Fresh]

Last night, i got a call on my phone  
Ike Turner wanna make a "gangsta slap-a-broad" pimp song  
He said "I called you man cause you the realest"  
Lay it down, lay it down, cause these broads love Willis  
Have "woes" that suck toes and wash clothes  
Playas try to fit ya like a pair of Girbauds  
Girls in the morn'n to brush my teeth  
Lil' girls wit curls love to wipe my feet  
BLING, diamonds glistenin' everywhere  
It's alright for that girl look at me, y'all let her stare  
Baby, I know I'm gorgeous, cause I'm the largest  
Jet skiis and M3's in my garag-es

[Chorus: PapaRue]

I bought a Hummer that's sittin' on 32's  
We love stun'n and givin' these broads the blues  
Fresh got a Burban that's sittin' on 20's fool  
Woodgrain, TV's and it's all cool [2x]

[Baby]

Now playa, tell me how you can beat this  
A million dollars worth of cars all on chrome, can you defeat this  
Wit all new homes, 8 of 'em  
The Hot Boy\$ new album, Guerilla Warfare and it jumped of strong  
I spent 2 million buildin' my own home, wit a million dollars worth of furniture  
All on wood grain homie  
See playa, I ain't gotta stunt cause I can bag 'em up, believe dis  
Ask the police at Eastover has he seen this  
Playa, wit diamonds and gold across the T-O-P  
And every broad in my passenger seat I done sexed fo' free  
These broads, I love to sex 'em til they see  
That I aim to succeed to be a top rank in this industry  
And my Humvee, playboy, I got so much wood in this vehicle  
You gotta see it, it should be a coffin seat  
Wit four brand new TV's wit VCR  
The Big Tymer\$ new video gon' air on tomorrow  
Ridin' on 32's and you can't miss these G's  
All on chrome from the heart of the U.P.T.  
When I get my big baller party  
Playa, I'ma let all these tenderonies drink for free, Domm P.  
And Cristal, you know how we play it boy when we comin' through in that Humvee

[Chorus]

[PapaRue]

Shooney nooney nowny no, shooney nooney nooney nowny no  
Oh oh  
Shooney nooney nowny no, come down, come down

[Lil Wayne]

Now, we be Big Tymers wit the diamonds sparklin'  
Some of uptowns finest, we ballin'  
I'm the smallest soldier in the click  
but still ride bir ol' black on black trucks wit kits  
See everybody get they shine on at 226  
CMB, flash ya wrist and let ya diamonds glisten, remix  
My boys poppin' champagne  
Lil Wayne in the marrow wit the bubble frame  
Uh-huh, we the ones wit the stretch Hummer  
A helicopter, Benz, Burban, and a Lex bubble  
I play the platinum Navigator when I ride  
5 thousand dollar high sippin' Cristal  
I got twenty on my finger, look it's all gravy  
They say it's all about Fresh and all about Baby  
Big Tymers, boy you know how we play  
Worth about a hundred mill on a bad day  
We love STUN'N

[chorus]

[PapaRue]

Shooney nooney nowny no, shooney nooney nooney nowny no  
Oh oh [2x]

Cash Money, fo' you and ju  
PapaRue, fo and ju
