

Big Tymers, Suge And Pac, Puff And Big

(B.G.)

Me the B.G. and Baby my f**kin runner
Two livin legends, paper chasers from uptown
About money and bitches, puttin haters in ditches
We roll in trucks like Hummers and expiditions
Our relationship like Moses and Jesus
Ask one of our hoes, ain't no coming between us
Two black young heathens, that's how they treat us
Steaks and Fettucini is what they feed us
Nigga ridin shinin, me and my nigga be sippin the finest winw
Spendin G's, making hitz back and forth, we flyin
Tryin to make a mil y'all
'cause we roll with the motto, "Ball Til We Fall";
F**k wit B you bringin B.G. all the way out there
F**k wit me you bringin Baby all the way out there
Since '92, '93 our love been there
We never stand to a pussy, cash money, nigga stare
I'm a Big Tymer, that's a fact
Suga Slim just signed a, me and him a contract

In that mansion is where we lay our head at
We play high, go floss, roxin and drive drop tops
Way I bust it like Suge and 'Pac

And if you you f**k wit him

And I'll put that on my Ma and my Pa and they both restin in peace
It ain't nuttin in this industry gon f**k
wit Baby and B.G. wit Manny Fresh's beats
Wit Suga Slim's Brains behind all this heat and my Hot Boyz strapped riding

Right beside me, nigga I'll bet a million dolars to yo life there
