

Bill Anderson, Beautiful People

(Kenny O'Dell)

La, la, la, la, la
La, la, la, la, la, la

You've just gotta be one of
The most beautiful people in the whole wide world
It's true, it's true
It's true and I love you.

You're so easy to make conversation with
And nobody else could please me that way
No one can say that you're a wall-flower
'Cause you've always got something groovy to say.

You've just gotta be one of
The most beautiful people in the whole wide world
It's true, it's true
It's true and I love you.

Talk about a girl with a sweet desposition
You oughta have a room full of ribbons
And wear 'em in the hair
Every day of the week for me.

People turn around they know
We're the luckiest people today in this old town
It's no wonder that they kinda wonder
If we're not the happiest could around.

You've just gotta be one of
the most beautiful people in the whole wide world
It's true, it's true
It's true and I love you.

La, la, la, la, la
La, la, la, la, la, la

You've just gotta be one of
The most beautiful people in the whole wide world
It's true, it's true
It's true and I love you

I do, I do, I do, I love you
La, la, la, la, la
La, la, la, la, la, la...
