

# Bill Anderson, From a Jack to a King

From a jack to a king from loneliness to a wedding ring  
I played an ace and I won a queen and walked away with your heart  
From a jack to a king with no regrets I stacked the cards last night  
The Lady Luck played her hand just right to make me king of your heart  
For just a little while I thought that I might lose again  
Then just in time I saw the twinkle in your eye  
From a jack to a king from loneliness to a wedding ring  
I played an ace and I won a queen you make me King of your heart

For just a little while...
