

# Bill Anderson, I'd Fight the World

I don't care what anybody thinks of me  
My pride is gone and here I am on bended knee  
I only know I need you and I love you so  
And I'd fight the world before I'd ever let go go  
I'd gladly beg I'd steal I'd borrow I'd turn my back on everyone I know  
I'd do these things with no fear of tomorrow  
I'd fight the world before I'd ever let go go

Yes I've heard 'em talkin' about my lovin' you the way I do  
And they're sayin' things like nobody should love anybody as much as I love you

But I don't care if the world stops and the sun explodes or the moon turns to ashes  
I'd gladly stand and fight the world before I'd let you go

I'd gladly beg I'd steal...  
I'd fight the world before I'd ever let go go
