I'LL LIVE FOR YOU

(Bill Anderson)

'70 Stallion Music

I can't settle down and marry you we both know that  
But I dedicate my life to you each minute that I live  
And if you'll only try and take me like I am  
I'll give you what there is of me to give  
I can't live with you but I'll live for you  
Every minute every hour every day  
I can't live with you but I'll live for you  
And I'll try to make you happy in my own way  
I'll ache for you each morning when the sun comes up  
I'll dream of you at midnight when I lay me down to sleep  
I'll be true to you with every single breath I take  
All that's mine but me is yours to keep  
I can't live with you...
