

Bill Anderson, I Love You More and More Everyd

They said our love was just emotion that time would slowly fade away
But time just deepen my devotion I love you more and more every day
The day you made those tender vows beside me
My joy was more than words could ever say
And darling still it grows and grows inside me
I love you more and more every day
[steel]
The day you made those tender vows beside me...
I love you more and more every day
