

# Bill Anderson, If I Loved You Too Much

(Bill Anderson)

In your letter you said please don't try to find me  
I'm leaving cause you're choking me to death  
Your love is like a chain that ties and binds me  
And I'm goin' off somewhere to get my breath.

I didn't mean to come on strong believe me  
I've just always loved you in a hungry way  
And now to think that's causing you to leave me  
I'm so confused and hurt by what you say.

If I loved you too much I'm sorry  
If I loved you too much and make you go  
If I loved you too much forgive me  
But I loved you in the only way I know.

--- Instrumental ---

If I loved you too much I'm sorry  
If I loved you too much and made you sad  
If I loved you too much forgive me  
But you were all I had...
