

Bill Anderson, If It's All the Same to You

If it's all the same to you if you don't love me like before
I don't think I'll hang around and let you hurt me anymore
If it's all the same to you if your love has really gone
Pardon me while I walk out pick up my heart and move along
I'll bet you somewhere I'll find someone I can thrill with my kiss
Mhm if it's all the same to you yes and I sadly think it is
[guitar]
If it's all the same to you...
Yes it's true honey I sadly think it is
That's the trouble baby I sadly think it is
