

Bill Anderson, Let Me Be the One

Let me be the one to walk with you when you want somebody to talk with you
Anything that makes you happy I want to do darling let me be the one
Let me be the one who means the most the one you want to love and call your own
And when you choose a partner I wanna be the choice please let me be the one
Let me be the one to take you out to your favorite places you have no doubt
And when the evening's gone put a kiss goodnight you gotta let me be the one
Let me be the one to share with you all your little pleasures and sorrows too
In all kinds of weather I just wanna be with you darling let me be the one
Let me be the one to hold your hand when the preacher says do you take this man
All these happy thoughts will mean so much fun please let me be the one
