

Bill Anderson, No Thanks I Just Had One

(Bill Anderson)

(Bill)

Come closer, let me give you a kiss just for fun

(Jan)

No thanks, no thanks, I just had one

(Bill)

Then hold me, let me make this a moment you won't forget

(Jan)

No thanks, I just had one that I'm not over yet

I just lost my darling who kissed me goodbye

And I don't care now if I live or die.

(Bill)

Well then here's my shoulder, come have a good cry

(Jan)

No thanks, no thanks, I just had one.

--- Instrumental ---

(Jan)

I wish I could take you and run off somewhere

But I can't forget him and how much I cared

(Bill)

Oh, please try me, I could make this a wonderful affair

(Jan)

No thanks, no thanks, I just had one. thanks but no thanks

I just had one...
