

Bill Anderson, Where No One Stands Alone

(Moise Lister)

(Jan)

Once I stood in the night with my head bowed down
In the darkness as black as the sea
And my heart felt alone and I cried
Oh Lord, don't hide your face from me.

Hold my hand all the way, every hour, every day
From here to the great unknown
Take my hand, let me stand
Where no one stands alone.

--- Instrumental ---

I may live like a queen in a palace so tall
With great riches to call my own
But now there's not a thing in this whole wide world
That's worse than being alone.

Hold my hand all the way, every hour, every day
From here to the great unknown
Take my hand, let me stand
Where no one stands alone...
