

# Bill Gaither And The Gaither Vocal Band, Let Freedom

Deep within the heart has always known that there was freedom  
Somehow breathed into the very soul alive  
The prisoner, the powerless, the saved have always known it  
There's something that keeps reaching for the sky

Even life begins because a baby fights for freedom  
And songs we love to sing have freedom's theme  
Some have walked through fire and flood to find a place of freedom  
And some faced hell itself for freedom's dream

Let freedom ring wherever minds know what it means to be in chains  
Let freedom ring wherever hearts know pain  
Let freedom echo through the lonely streets where prisons have no key  
We can be free and we can sing --- let freedom ring

God built freedom into every fiber of creation  
And He meant for us to all be free and whole  
When my Lord bought freedom with the blood of His redemption  
His cross stamped pardon on my very soul

I'll sing it out with every breath, I'll let the whole world hear it  
This hallelujah anthem of the free  
That iron bars and heavy chains can never hold us captive  
The Son has made us free and free indeed

Let freedom ring down through the ages from a hill called Calvary  
Let freedom ring wherever hearts know pain  
Let freedom echo through the lonely streets where prisons have no key  
You can be free and you can sing let freedom ring  
Let freedom echo through the lonely streets where prisons have no key  
You can be free and you can sing let freedom ring  
You can be free and you can sing --- let freedom ring --- let freedom ring
