

Bill Gaither And The Gaither Vocal Band, My Lord

My Lord and I;
We're gonna' walk and tell the story, children,
My Lord and I;
When I come to the river, wide,
The blessed Lord is gonna'
Calm the tide,
We're gonna' walk this road to Glory, (children)
My Lord and I
(Repeat)
We're gonna' walk this road to Glory, children,
My Lord and I;
We're gonna' walk and tell the story, children,
My Lord and I;
Rain or shine, snow or sleet,
Blessed Lord, guide my feet
We're gonna' walk this road to Glory, (children)
My Lord and I
Such is my consolation;
Burdens out of the way.
The Holy Spirit guides me
As I travel day by day.
I just pull into the station
And I get a full supply.
We're gonna' walk this road to Glory, (children)
My Lord and I
Well, we're gonna'
Walk and talk all the way to Glory,
Walk and tell the blessed old story,
Walk and talk all the way to Glory,
My Lord and I.
When I come to the river, wide,
The blessed Lord is gonna'
Calm the tide.
We're gonna' walk this road to Glory, (children)
My Lord and I
(Repeat)
