

Bill Monroe & His Bluegrass Boys, Careless Love

Love oh love careless love
Love oh love careless love
Love oh love oh careless love
See what careless love has done

Once I wore my apron low (3x)
I couldn't keep you from my door

What oh what will mama say (3x)
When she learns I've gone astray

I love my mama and papa too (3x)
See what I get for lovin' you

Now I wear my apron high (3x)
You pass my door you walk on by
