

# Bill Monroe & His Bluegrass Boys, How Will I Explain About You?

You left me, my darling to travel alone  
My heart is so lonely and blue  
When friends ask about you why you're not around  
How will I explain about you

How will I explain about you  
They know I've been faithful and true  
So when they start asking why you're not around  
How will I explain about you

They saw us together for such a long time  
They knew that I loved you so true  
But now that you've gone and I'm left all alone  
How will I explain about you

How will I explain about you  
I can't let them know that we're through  
They wouldn't believe it could ever be true  
How will I explain about you

How will I explain about you  
I'm leaving it all up to you  
And if you insist that our pathway must part  
How will I explain about you
