

Bill Monroe, Nobody Loves Me

Nobody loves me nobody cares
If life is empty and full of tears
I long for new love searched everywhere
Nobody loves me nobody cares

Searchin' for true love has been in vain
Through years my heart has suffered with pain
Life's lonesome burden now I must bear
Nobody loves me nobody cares

Nights on my pillow I dream of you
Through space I gaze at the stars above
They seem to whisper from way up there
Nobody loves me nobody cares

A lonesome heart and a troubled mind
In this old world now is all I find
I look to heaven for I know there
Someone will love me someone will care
