

Bill Monroe, Those Memories

In dreams of you my body trembles
I wake up and call your name
But you're not there and I'm so lonely
Without your love I'll go insane

Those memories of you still haunt me
Every night when I lay down
I'll always love you little darling
Until the day they lay me down

I close my eyes and you're there with me
Your kiss I feel your face I see
It's not your lips now that drive me crazy
It's just your haunting memory
