

Bill Monroe, You'll Find Her Name Written There

You'll Find Her Name Written There - Bill Monroe

On and on she'll walk this earth
Her face like a beautiful flower
But all alone is a marble stone
You'll find her name written there

Her new voice rings where the angels sing
Her boice so pure and so fair
And if you'll look in the Heavenly book
You'll find her name written there

I'm all alone since the call of fate
Left me in deepest despair
And if you'll wait at the pearly gate
You'll find her name written there

I'll breathe her name into the air
It goes and I know not where
But if you look in the heart of a freind
You'll find her name written there
