

Bill Nye, Jah Mon Insects Rule

Ah, listen to me all citizens! Me have something to tell you 'bout the creatures that dominate the world

Them no me, them no you, them are no humans
Them no me, them no you, nah are they fools
Me talk 'bout the insects (bugs)
Me talk 'bout the insects (bugs)
Me talk 'bout the insects (bugs)
Jah mon, insects rule

Say them are more insects in ah dis world
Then there are of the boys and the girls
They go from egg to larva to pupa and finally adult
Six legs, three body parts, (???)
Everything that them need to do
They pollinate the flowers, decompose the garbage
Them are insects, and them ah live large

Them no me, them no you, them are no humans
Them no me, them no you, nah are they fools
Me talk 'bout the insects (bugs)
Me talk 'bout the insects (bugs)
Me talk 'bout the insects (bugs)
Jah mon, insects rule

So next time you wanna smash an insect 'cause it bugs ya, just be aware, citizens - they're gonna
