

Bill Vaun, A Boring Saturday Night

A Boring Saturday Night

It's a boring Saturday Night
And I guess I would be all right
If I had somewhere to go or
Something to do

The City noises outside
Dogs bark and people hide
In their protective shelters
In their partying time

Chorus: Well I guess there's
Nothing to avoid
Being bored
So I listen to some Pink Floyd
And play my guitar blues on
a boring Saturday night---

Yes, it's a boring Saturday Night
And I guess I would be all right
If I had some where to go or
Something to do
With you girl---
Ahhhhh--
With you!
