

Bill Withers, Family Table

I will follow my dreams wherever

They take me

I will stand upon the mountain and look down upon the seashores

But I'll always remember

The family table

If I don't ever go there anymore

I will stand up when it seems

That my troubles might break me

I will listen even though I know I've

Heard it all before

But I'll always remember

The family table

If I don't ever go there anymore
