Bill Withers, Kissing My Love

Whoa now When I'm kissing my love Yeah thump a thumping in my head Whoa now When I'm kissing my love I close my eyes and see a pretty city With a million flowers babe Now I can hear the angels sing Songs that only angels sing She's such a pretty thing That I can feel my heart Just a thumping and a skipping When I'm kissing my love Whoa now When I'm kissing my love Feel the blood a pumping in my veins Whoa now When I'm kissing my love She's such a tender sender With her sweet young friends She's so good at what she does All she wants to do is kiss and hug She's got me in love And I can feel my heart Just a thumping and a skipping When I'm kissing my love Put your foot on the rock and pat your foot, Don't stop, put your foot on the rock (x8) Whoa now When I'm kissing my love Feel the blood a pumping in my veins Whoa now When I'm kissing my love She's such a tender sender With her sweet young friends Whoa now She's so good at what she does All she wants to do is kiss and hug She's got me in love And I can feel my heart Just a thumping and a skipping When I'm kissing my love *whistling*
