

Billie Holiday, Nobody

Alex rogers / bart a. williams

When life seems full of clouds and rain
And I am filled with naught but pain
Who soothe my thumping, bumping brain
Nobody
When winter comes with snow and sleet

And me with hunger and cold feet
Who says, "here's two bites, go and eat!"?
Nobody
You know that I ain't never done nothin' to nobody
I ain't never got nothin' from nobody, no time
And until I get somethin' from somebody, sometime
I don't intend to do nothin for nobody, no time
