

# Billie Holiday, SAY IT WITH A KISS

Johnny Mercer / Harry Warren

Let me hear you say it

Say it with a kiss

It you mean that look I've seen

Say it with a kiss

There is wine and candle shine

And music in your lips

Music in the tops

Of your fingertips

Words may not convey it

Say it with a kiss

And your look might speak a book

That my eyes might miss

You don't have to know the words

To love's familiar tune

Say it with a kiss

And say it soon
