

# Billie Holiday, SAY IT WITH A KISS

Johnny Mercer / Harry Warren  
Let me hear you say it  
Say it with a kiss  
It you mean that look I've seen  
Say it with a kiss  
There is wine and candle shine  
And music in your lips  
Music in the tops  
Of your fingertips  
Words may not convey it  
Say it with a kiss  
And your look might speak a book  
That my eyes might miss  
You don't have to know the words  
To love's familiar tune  
Say it with a kiss  
And say it soon
