

Billie Jo Spears, Suspicious Minds

We're caught in a trap I can't walk out
Because I love you too much baby
Why can't you see what you're doing to me
When you don't believe a word I'm saying

We can't go on together with suspicious minds
And we can't build our dreams on suspicious minds

So if an old friend I know smile and say hello
But I still see suspicion in your eyes
Here you come again asking where I've been
Aou can't see these tears are real I'm crying

We can't go on together...

Won't you let our love survive or dry the tears from my eyes
Don't let a good thing die don't you know I never lied to you

We're caught in a trap I can't walk out...
We can't go on together...
We're caught in a trap I can't walk out...
