

# Billie, Last Christmas

Last Christmas  
I gave you my heart  
But the very next day you took it away  
This year, to save me from tears  
I'll give it to someone special

Last Christmas I gave you my heart  
But the very next day you took it away  
This year, to save me from tears  
I'll give it to someone special

Once bitten and twice shy  
I keep my distance  
But just don't catch my eye  
Tell me baby  
Do you recognise me?  
Well its been a year  
It doesn't surprise me

I wrapped it up and sent it  
With a note saying "I love you" - I meant it  
Now I know what a fool I've been  
But if you kissed me now  
I know you'll fool me again

Last Christmas I gave you my heart  
But the very next day you took it away  
This year, to save me from tears  
I'll give it to someone special

Last Christmas I gave you my heart  
But the very next day you took it away  
This year, to save me from tears  
I'll give it to someone special

A crowded room - Friends with tired eyes  
I'm hiding from you, and your soul of ice  
My God I thought you were someone to rely on  
Me - I guess I was a shoulder to cry on

Face on her lover  
With a fire in her heart  
A girl undercover.....she tore me apart Ohhh  
Now I've found a real love  
You'll never fool me again

Last Christmas I gave you my heart  
But the very next day you took it away  
This year, to save me from tears  
I'll give it to someone special

Last Christmas I gave you my heart  
But the very next day you took it away  
This year, to save me from tears  
I'll give it to someone special

Last Christmas I gave you my heart  
But the very next day you took it away  
This year, to save me from tears  
I'll give it to someone special

(Fade)  
Last Christmas I gave you my heart  
But the very next day you took it away

This year, to save me from tears  
I'll give it to someone special
