

Billie Myers, Flexible

(Jane Jane James Bond)

Everybody's stuck in the middle,
With something for nothing.
Original is nothing new.
Everybody stares in the mirror,
Looking for a partner,
Let's look for something better to do.
She's James Bond in a dress.
Diamonds Forever are all she wears.
Loaded and ready to go,
Riding her car like Diva Desire.
He's [marlaner] in a suit,
Walking the mermaid in fine hike boots.
Someone's wife that he met on the phone.
She's user-friendly.
She's taken it home.

Chorus

He's gay, he's straight.
He's black and he's white.
He'll be anything she wants him to be tonight,
[Barbie or boy]
and a little bit more.
Loverboy to lovergirl,
He's flexible.
She's loveable.
He's flexible

. I'm flexible tonight.
