Billy Bragg, Shirley

Shirley, it's so exciting to be sleeping here in this new room, Shirley, you're my reason to get out of bed before noon

Shirley, you know when we sat out on the fire escape talking Shirley, what did you say about running before we were walking? Sometimes when we're as close as this, It's like we're in a dream How can you lie there and think of England When you don't even know who's in the team?

Shirley, your sexual politics have left me all of a muddle, Shirley, we're joined in the ideological cuddle I'm celebrating my love to you With a pint of beer and a new tattoo And if you haven't noticed yet I'm more impressionable when my cement is wet

Politics and pregnancy are debated as we empty our glasses And how I love those evening classes

Shirley, you really know how to make a young man angry
Shirley, can we get through the night without mentioning family?
The people from the church agree
It's not much of a career
Trying the handles of parked cars
Whoops there goes another year, whoops there goes another pint of beer

Here we are in our summer years Living on ice cream and chocolate kisses And would leaves fall from the trees If I was your old man and you was my missus?

Shirley, Give my greetings to the new brunette
