

Billy Burnette, Going To A Party

Written by billy burnette and johnny christopher.

Being with you, today
Getting to know you in each and every way
Night times have: what can I say
Get on down and love me all the way

I feel a whole lot better
I feel so fine, just a feeling this way
I'd like to hold you and love you forever
So get on down and love me all the way

Some will: some won't
Some do; some don't
Get on down and love me all the way
