

Billy Burnette, Gone Again

Written by billy burnette and larry henley.

Gone again somebody help me i'm
Sinkin' in
Deeper this time than I've ever been
Ooh baby I'm gone again
Well I promised myself a million times
Nobody else gonna mess up my mind
Don't ask me how it happened 'cause i

Don't know
You must have slipped up on me through
My back door
I don't know
I'm gone again, somebody help me i'm
Sinkin' in
Deeper this time than I've ever been
Ooh baby I'm gone again
Well I'm goin' goin' gone so long babe
I'm gone again
