

Billy Burnette, One Night

Written by dave bartholemew and pearl king.

One night with you
Is what I'm now prayin'for
All the things that we two could plan
Would make my dreams come true
Just call my name
And I'll be right by your side
I need your sweet helping hand
My love's too strong to hide

(chorus)
Always lived a very quiet life
And I ain't never did no wrong
Now I know that life without you
Has been too lonely too long

(repeat chorus)

One night with you
Is what I'm now praying for
All the things that we two could plan
Would make my dreams come true
