

Billy Burnette, Sittin' On Ready

Written by billy burnette and larry henley.

Still awake on borrowed time
I got my baby on my mind
Baby she's the only one
Only one gonna get me some
Well I feel my fever on the rise
She gonna be here anytime
Come on knockin' on my door
'cause baby I can't take no more
Well I feel it getting' hot rockin' steady
Waitin' on you to come and get me
Sittin' on ready - sittin' on ready

Sittin' on ready - yeah yeah
Well did I hear that car door slam
Come on baby here I am
You came right on time
When you came on my mind
Well I feel it getting' hot rockin' steady
Waitin' on you to come and get me
Sittin' on ready - sittin' on ready
Sittin' on ready - yeah yeah
I'm sittin' on ready
I'm sittin' on ready
I'm sittin' on ready
I'm ready baby
