

Billy Corgan, Bobby Franks

shave your face/and
darn your socks/and
brush your teeth/and
comb your hair/and
check your tie/and
fix your watch

somewhere i've been dreaming
of a perfect gift
and despite the growing hour
i'm still restless

take a left/make a right
drive all night/never rest
pull him out/push hi in
you don't know/bobby franks

take a piece/and
shine my eyes/and
draw a map/and
curse my thought/and

call your man/and
wind your clocks

somewhere i've been dreaming
of a lucky boy
and despite the growing hour
i'm still restless

take a left/make a right
drive all night/never rest
pull him out/push him in
you don't know/bobby franks

somewhere i've been dreaming
of a super man
who finds his greatest powers
unafraid
i'm unafraid/of bobby franks
bobby franks/bobby franks
did bobby ring?
