## Billy Corgan, Bobby Franks

shave your face/and darn your socks/and brush your teeth/and comb your hair/and check your tie/and fix your watch

somewhere i've been dreaming of a perfect gift and despite the growing hour i'm still restless

take a left/make a right drive all night/never rest pull him out/push hi in you don't know/bobby franks

take a piece/and shine my eyes/and draw a map/and curse my thought/and

call your man/and wind your clocks

somewhere i've been dreaming of a lucky boy and despite the growing hour i'm still restless

take a left/make a right drive all night/never rest pull him out/push him in you don't know/bobby franks

somewhere i've been dreaming of a super man who finds his greatest powers unafraid i'm unafraid/of bobby franks bobby franks/bobby franks did bobby ring?
