

# Billy "Crash" Craddock, What He Don't Know Won't

I awoke last night and reached to touch my darling in our bed  
But I only found the pillow where she always lays her head  
I laid there half asleep wondering why she was not there  
Then I heard her talking on upon downstairs  
Don't worry bout him what he don't know won't hurt him  
Anyway he's upstairs fast asleep  
Don't worry bout him what he don't know won't hurt him  
But what she don't know it's what I do know that's killing me

I laid in disbelief with teardrops streaming down my cheeks  
Then she quietly slipped back into bed and quickly went to sleep  
I've never mentioned that to her afraid that she might leave  
But those words she said continued to haunt me  
Don't worry bout him...
