Billy Crawford, You've Got A Friend

When you're down and troubled and you need a helping hand And nothing, oh.. nothing is going right Close your eyes and think of me And soon I will be there To brighten up even your darkest night

chorus You just call out my name and You know wherever I am I'll come running To see you again Winter spring summer or fall All you got to do is call And I'll be there, yes I will You got a friend

If the sky above you should turn dark And full of clouds And that old north wind should begin to blow Keep your hands together And call my name out loud Soon I'll be knocking upon your door

repeat chorus

Ain't it good to know you got a friend When people could be so cold They'll hurt you and desert you Well they'll take your soul if you let them But don't you let them
