

Billy Fury, Jealousy

Jealousy
Was only through jealousy
Our hearts were broken
And angry words were spoken
Now all I have is memories
To cherish so tenderly
With every token you have given to me

I love to well
For I doubted you in my heart
My life was hell
Every moment we were apart
Why did I make
That big mistake
I wronged you right from the start

Was all over my Jealousy
My crime was my bad Jealousy
My heart was on fire with these eyes for you
But I never thought that our love was true

You gave all your kisses to me
But now all too late I can see
The heartaches I caused you
No wonder I lost you
Was all over my Jealousy

You gave all your kisses to me
And now all too late I can see
The heartaches I caused you
No wonder I lost you
Was all over my Jealousy
Was all over my Jealousy
