

Billy Gilman, Three Words, Two Hearts, One Kiss

For a straight-A student who knows so much
You don't know nothin' 'bout love
You and me make history
There's no two hearts like us
Well go on pretend
You can't figure it out
Well if there's any doubt

(Chorus)

Let me spell it out for you, honey
You don't want to miss
The perfect combination of
Three words, two hearts, one kiss
Three words, two hearts, one kiss

I know where I'm supposed to be
A heart beats right on time
I don't know why you're holdin' back
When you're the first in line
We better catch this train
Waitin' on the tracks
'Cause it might not come back

(Chorus)

Let me spell it out for you, honey
You don't want to miss
The perfect combination of
Three words, two hearts, one kiss

(Solo)

Three words that say I love you
Two hearts that beat as one, oh

(Chorus)

Let me spell it out for you, honey
You don't want to miss
The perfect combination of
Three words, two hearts, one kiss
The perfect combination of
Three words, two hearts, one kiss

Ooh, yea
