

# Billy Idol, All Summer Single

What should I do baby, a-what should do,  
Where should I go, what should I do?  
Yes, I got the blues, the summertime blues.

Eight o'clock in the morning,  
Eight o'clock, it's a New York day.  
Eight o'clock in the morning, babe,  
Gonna wipe that dirt, shake that sweat,  
Wipe that, shake it, lose the blues right now.  
All summer single

All summer single, you can't touch what you can see.  
Now all summer single, went away, away from me.  
All summer single, yes, I don't care you know  
I want a good time, for you and me.  
All summer single.

There's a shot in the dark now, babe.  
I reach out to touch the New York skyline.  
Oh yes, I am free, baby. It's you I want,  
So shake them loose, the blues right now.  
Ah ah ah ah ah. All summer single.

All summer single, I wanna be what I wanna be.  
Yeah, all summer single, I'm gonna have  
what I can see.  
All summer single, yes, I don't mind, ya know.  
All I want is a good time.

(Somebody tell the truth.)---&gt;\*  
Lost my baby 'fore the summer sun was through. (\*)  
Hurt and jealous friends fighting over you. (\*)  
I lost my baby 'fore the summer sun was through. (\*)  
Yeah I don't mind, you know, that all I want is a  
good time, good time.

All summer single, I want you here,  
near to me. Ow!  
All summer single, I wanna good time,  
and I wanna be free.  
All summer single, that's the way,  
that's the way I feel  
All summer single, well, I don't mind.  
I wanna good time for you and me.  
Oh oh oh oh oh oh. All summer single,  
all summer single, oh.  
All summer, all summer, all summer,  
all summer single,  
all summer single, away from home.  
All summer, all summer, all summer,  
all summer single.  
[Fade out]
