

# Billy Idol, Cherie

Like the moon moves the tides  
You influence my mind  
Like the planets and the stars  
Keep the rhythm to your time  
Are you happy with him?  
Yes I let you go

Girl I love you  
Cherie I love you so  
Girl I love you  
I was a fool to let you go

Like the alchemist  
Who couldn't resist the devil's kiss  
Base metal into gold  
And the psychiatrist  
Who's battling deep within his own soul  
I was like them down the hole

Girl I love you  
Cherie I love you so  
Girl I love you  
I was a fool to let you go

All the memories of your life  
Like Venice in the spring  
New York City summers  
Paris, London winters' chill

Girl I love you  
Cherie I love you so  
Girl I love you  
I was a fool to let you go

I love you so  
Want you to know  
I love you so

As the apples fall, the leaves turn  
Make it too autumn's call  
But you still know your way  
Never be outdone at all  
And if I falter I see it in our child

Girl I love you  
Cherie I love you so  
Girl I love you  
No I won't let go

Girl I love you  
Cherie I love you so  
Girl I love you  
No I can't let go

Girl I need your sunshine to feel alright  
Girl I need your sunshine to feel alright

Girl I love you  
Cherie I love you so  
Girl I love you  
I was a fool to let you go
