

# Billy Idol, Man For All Season

Time on my side, are you ready to learn?  
Said baby, are you ready to burn?  
Oh, burning desire, I'm a soul on fire,  
and baby, it's higher and higher.  
Don't get in my way, no way.  
Well, you'd be a fool, baby; well that's true baby.  
It's the time for my season right now.  
Well, is it true baby? Oh yeah, baby.

I'm a man for the season,  
Yes, I love you for a reason.  
I'm a man for the season,  
oh, I love you for a reason.

Time on my side, now you understand.  
Oh baby, my time is at hand.  
It gets higher and higher.  
It's a divine given power.  
Those love lickin' lips take me higher and higher!  
Don't get in my time, no way.  
Ooh, you'd be a fool now, baby, such a fool now, baby.  
Can't change my way, ooh, what I say.  
You'd be a fool, baby, such a fool now baby.

I'm a man for the season,  
Oh, I love you for a reason.  
I love you for a reason.  
I'm a man for the season.

Time on my side and now you understand.  
I said baby, are you ready to burn?  
Baby, are you ready to burn?  
Man, yeah! It's gettin' higher and higher.  
Come on, burn, baby. Come on, burn, baby.  
Oh, oh baby, oh baby, oh baby.
