

# Billy Idol, Nobodys Business

What a fool to step into those shoes  
Either way you know they win or lose  
You know money talks  
Your eyes they ain't so blue  
You love to watch the green-backs walk  
You got a five-buck side-pack

Tell me, tell me someone stop this pain  
It's your place I was in a rage insane  
I wanted your love so bad  
But your eyes are never blue  
Droolin' over green-back poolin'  
You got a five-buck side-pack

Well I must have been right about something  
Yes to make it to here and to tell you something  
Cause nobody's business but my own  
Nobody's business but my own  
Well I must have been mad about something  
Cause I'm M A D and I spell it for nothing  
Cause nobody's business but my own  
Nobody's business but my own

What a fool to step into those shoes  
Either way you know they (you?) win or lose  
You know money talks  
Your eyes so paralysed  
Don't you realise  
For love and hate it's just too late  
Nobody's business but my own  
Nobody's business but my own  
Nobody's business but my own  
Nobody's business but my own  
Nobody's business but my own
