

# Billy Joel, And So It Goes

In every heart there is a room  
A sanctuary safe and strong  
To heal the wounds from lovers past  
Until a new one comes along

I spoke to you in cautious tones  
You answered me with no pretense  
And still I feel I said too much  
My silence is my self defense

And every time I've held a rose  
It seems I only felt the thorns  
And so it goes, and so it goes  
And so will you soon I suppose

But if my silence made you leave  
Then that would be my worst mistake  
So I will share this room with you  
And you can have this heart to break

And this is why my eyes are closed  
It's just as well for all I've seen  
And so it goes, and so it goes  
And you're the only one who knows

So I would choose to be with you  
That's if the choice were mine to make  
But you can make decisions too  
And you can have this heart to break

And so it goes, and so it goes  
And you're the only one who knows
