Billy Joel, For The Longest Time

woohoohoo for the longest time woohoohoo for the longest if you said goodbye to me tonight there would still be music left to write what else could I do I'm so inspired by you that hasn't happened for the longest time Once I thought my innocence was gone now I know that happiness goes on that's where you found me when you put your arms around me I haven't been there for the longest time woohoohoo for the longest time woohoohoo for the longest time I'm that voice you're hearing in the hall and the greatest miracle of all is how I need you and how you needed me too that hasn't happened for the longest time maybe this won't last very long but you feel so right and I could be wrong maybe I've been hoping too hard I've gone this far and it's more than I hoped for Who knows how much further we'll go on maybe I'll be sorry when you're gone I'll take my chances I forgot how nice romance is I haven't been there for the longest time I had second thoughts at the start I said to myself hold on to your heart now I know the woman that you are vou're wonderful so far and it's more than I hoped for I don't care what concequence it brings I have been a fool for lesser things I want you so bad I think you ought to know that I intend to hold you for the longest time woohoohoo for the longest time woohoohoo for the longest time (fade)
